You can obtain a student ID card from the Records Office, CTC-101. You will need a photo ID.

You can obtain a parking permit from the Security Office at the lower level of the C building near the cafeteria, C-101. You will need to know your license plate # & the make/model of your vehicle.

Students can park in any of the lots except for 1 & 6. In Lot 7, the green spaces are reserved for low-emission vehicles and require a green parking pass. The Ottawa Center has their own parking lot.
- Do you know where your classes are?**
There will be employees around helping students find their classes. Ask for help! You can book 1-1 appointments at www.ivcc.edu/specialpopulations.
