Dear First,

Latrell Coulter appreciates the profound impact a scholarship can have.

Upon receiving the Today's Dream, Tomorrow's Triumph award, he quickly wrote a thank you card to donors Rick Sarles, Pat Brester, Adrian Walker and Javier Salazar.

"It means the world to me that I was deemed deserving of this scholarship; words cannot describe how grateful I am," he wrote. "I really did need the help and I promise to do my best to prove I deserve this."

Latrell plans to study human anatomy and eventually physical therapy.

Please consider supporting the **2021 IVCC Foundation Annual Appeal**.
