CATALOG DESCRIPTION and IAI NUMBER (if applicable):

This course is designed for 2nd year nursing students and focuses on the achievement of professional success by preparing students for the RN licensure examination. Concepts required for licensure examination and entry into the practice of professional nursing includes a review of the National Council Licensure Examination for Registered Nurses (NCLEX-RN) test plan, assessment of knowledge deficits, and remediation. Preparation for NCLEX-RN will be achieved through a process of enhancing NCLEX testing skills and individualized review of content.

ACCREDITATION STATEMENTS AND COURSE NOTES:

The IVCC Associate Degree Nursing Program is accredited by the Accreditation Commission for Education of Nursing (ACEN). This course is part of the nursing curriculum used to prepare students for entry into the nursing profession. Students must earn a C or better in this course to progress in the nursing program.
