This agreement is made and entered into as of the first (1st) day of July 2018 by and between the Board of Trustees of Illinois Valley Community College District No. 513 comprised of La Salle, Bureau, Marshall, Lee, Putnam, DeKalb, Grundy and Livingston counties, (hereinafter referred to as the Board), and Local 138 Service Employees International Union, (hereinafter referred to as the Union).

ARTICLE I **(Recognition)**

By Board action on May 21, 1969, the Union was recognized as the bargaining agent for the full-time service employees at Illinois Valley Community College District No. 513.

ARTICLE II **(Management Rights)**

All management rights and functions, except those which are clearly and expressly abridged by this Agreement, shall remain vested exclusively in the Board. It is expressly recognized, merely by way of illustration and not by way of limitation, that such rights and functions include, but are not limited to (1) full and exclusive control of the management of the District, the supervision of all operations, the methods, processes, means and personnel by which any and all work will be performed, the control of property and the composition, assignment, direction and determination of the size and type of its working forces; (2) the right to determine the work to be done and the standards to be met by employees covered by this Agreement; (3) the right to change or introduce new operations, methods, processes, means or facilities, and the right to determine whether and to what extent work shall be performed by employees; (4) the right to hire, establish, eliminate or change classifications, assign, transfer, promote, demote, release and lay off employees; (5) the right to determine the qualifications of employees, and to suspend, discipline and discharge employees for cause, and otherwise to maintain an orderly, effective and efficient operation, with the understanding that the distribution of work between employees shall be reasonable and fair. This clause is not meant to override any specific language in the contract.

Employees shall have the right to review their personnel records in accordance with the Personnel Record Review Act and to appear before the Board and present any reasons which he/she feels would justify why the proposed discharge is unwarranted and shall have the right of being accompanied by a Union representative at any such hearing.

No employee may be tested for drug or alcohol abuse without reasonable suspicion.

ARTICLE III (Union Representation)

Employees shall have the right to Union representation whenever they are called to a meeting for a reprimand or other discipline. The Union shall be notified of employee discipline unless the employee requests otherwise.

ARTICLE IV (Subcontracting)

The College will subcontract work only when it deems it necessary in the interests of efficiency, cost, improved work product or emergency. The Director of Facilities shall supervise subcontractors to reduce clean-up required by service employees.

ARTICLE V (Grievance Procedure)

Whenever a disagreement or dispute arises relative to the terms of this contract, it shall be discussed, if possible, between the Union and Director of Facilities. Should such discussion be unsuccessful, the following procedure is established to present and process such disputes.

FIRST STEP:

The aggrieved employee shall submit his/her grievance in writing to his/her immediate supervisor or the Director of Facilities who will attempt to adjust the problem. No grievance will be processed unless the grievance has been reduced to writing and filed with the grievant's immediate supervisor or the Director of Facilities within ten (10) working days following the occurrence of the event giving rise to the grievance. A decision shall be submitted to the aggrieved in writing within five (5) working days after the grievance is received. If the aggrieved employee is not satisfied with the decision rendered by his/her supervisor or the Director of Facilities, he/she may proceed to submit his/her grievance in writing according to the second step as provided herein.

SECOND STEP:

The aggrieved employee, if dissatisfied, may, within five (5) working days after receiving the written decision, request a meeting within five (5) working days between the President of the College and/or his/her designee(s) and the Union's Grievance Committee (not to exceed three persons).

When a meeting has been held, the President and/or designee(s) shall render a decision thereon in writing within five (5) working days from the date of the meeting. If an appeal is to be taken from the SECOND STEP, it shall be processed in accordance with the procedure set forth in STEP THREE.

THIRD STEP:

The final appeal of any grievance shall be made to the Board within five (5) working days following the receipt of the President's decision. The written grievance and a complete written case history shall be presented at the first regular Board meeting ten (10) working days following the

decision to appeal. The Board shall communicate their written decision to the grievant within fifteen (15) working days following the Board meeting.

(a) If the grievance is not settled in accordance with the step above, the Union may refer the grievance to arbitration within thirty (30) school days after receipt of the Board' disposition of the grievance. The grievance shall be submitted to final and binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association, which shall act as the administrator of the proceedings.

(b) No grievance shall be entertained, or processed, or submitted for arbitration unless it is filed within thirty (30) school days after the occurrence of the event giving rise to the grievance.

(c) The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement or any applicable Board policy. He/she shall consider and decide only the specific issues submitted to him/her in writing and shall have no authority to make any decision or recommendation on any other issue not so submitted to him/her. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the applicable laws and rules and regulations having the force and effect of law. The arbitrator shall submit in writing his/her decision promptly following close of the hearing or the submission of briefs by the parties, whichever is later. The arbitrator's decision shall be based solely upon his/her interpretation of the meaning or application of the specific terms of this Agreement involved to the facts of the grievance presented. The decision of the arbitrator shall be final and binding on the parties and shall be immediately implemented.

(d) The fees of the arbitrator and of the American Arbitration Association shall be divided equally by the Board and the Union. All other expenses shall be borne by the party incurring them.

(The term "grievance" as used herein refers to an alleged violation of a specific provision of this contract.)

ARTICLE VI (Entire Agreement)

The parties acknowledge that during the negotiations, which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining regarding the employees covered by this agreement, and that the understandings and agreements arrived at by the parties hereto after the exercise of that right and opportunity are fully set forth in this agreement. Therefore, the Board and the Union, for the life of this agreement, each voluntarily and unqualifiedly waives its right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter whether or not specifically referred to or covered by this agreement, even though the subject may or may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this agreement. There shall be no unilateral reopening of this agreement by either party during the life thereof.

ARTICLE VII **(Seniority)**

Seniority shall be defined as the length of service with the College. The Board shall maintain a seniority list to which the Union shall have access when needed. Seniority of future employees shall be based on the order in which they are hired as full-time service employees.

Other things being equal, seniority shall prevail in job assignments with the oldest person, in terms of service, being given first preference for any job opening. If the oldest person, in terms of service, declines, then the next oldest person, in terms of service, may apply. This method of selection shall prevail throughout the entire list of employees until one of the employees accepts the job opening. If no one accepts the job opening, then the youngest person, in terms of service, will be assigned. Any employee who accepts any job opening shall be given a twenty (20) working day trial period. If at the end of twenty (20) working days he/she does not qualify to hold the job in question, he/she will then be returned to his/her previous job. However, if in the opinion of the majority of the Board, an employee is not qualified due to lack of ability, mechanical knowledge, or any other valid reason, the Board, by letter, will inform the employee and the President of Local Union 138 of the reason or reasons that the assignment to this particular job is terminated.

If employees are laid off, layoffs shall be made within pay classification in reverse order of seniority. When an increase in the working force again becomes necessary, employees previously laid off shall return to work in reverse order of their layoff, if they are able to perform the job. All employees on the seniority list shall be returned before new employees are hired.

All job openings or new jobs shall be posted for bid a minimum of five (5) working days before the job or jobs are awarded. All applications shall be accepted. The Board shall set forth a description of the job, its location, rate of pay, and shift to be worked.

Whenever a member of the bargaining unit is promoted by the Board to a position outside the bargaining unit, such employee shall after twenty (20) working days be considered permanent in the position. If at a time later than twenty (20) working days he/she is removed from this position by the Board or of his/her own volition, he/she shall not be returned to the bargaining unit. If after taking a position outside the bargaining unit, such employee before twenty (20) working days returns to his/her bargaining unit position, he/she shall be placed back on the seniority list in the position held prior to his/her promotion. No member of the bargaining unit will be required to pass a written or manual dexterity test in order to continue his/her present position.

Successive temporary appointments to circumvent the intent of this ARTICLE will not be acceptable to the Union.

ARTICLE VIII **(Normal Work Day and Work Week)**

The normal work day shall be eight (8) consecutive hours per day (excluding lunch) Monday through Friday, or Tuesday through Saturday. The first shift will begin at 6:00/7:00 a.m. and will end at 2:30/3:30 p.m. The second shift will begin at 1:30 p.m. and will end at 10:00 p.m. The third

shift will begin at 10:00 p.m. and will end at 6:30 a.m. In the event that these times are to be changed, the Board or its designee agrees to meet with the Union to attempt to arrive at a mutually agreeable change. The work week shall be forty (40) hours per week.

Employees not specifically hired for the night shift (10:00 PM - 6:30 AM) may be required to work up to a maximum of eight (8) weeks of night shift in a contract year. No more than four (4) consecutive weeks are to be worked at any one time.

During summer school schedules, employees shall have the option to choose a schedule of four 10-hour days or five 8-hour days so long as the College determines that adequate coverage is being maintained.

ARTICLE IX (Leave and Personal - Bereavement)

Four (4) days per year personal leave with full pay shall be granted. Whenever possible, advance notice shall be given to the Director of Facilities. At the end of the fiscal year, unused personal leave days will be converted to sick leave but those converted sick leave days will not be reported to SURS as time worked.

Bereavement Leave

When death occurs in the immediate family/step family, i.e., spouse/partner, parent, parent of current spouse/partner, child, brother, sister, brother-in-law, sister-in-law, grandparents, grandchildren, and legal guardians, a full-time employee, on request, may be excused for three days leave without loss of pay. Medical leave may be used, if appropriate, to supplement bereavement leave or where bereavement leave is not applicable.

ARTICLE X (Sick Leave)

Each new employee shall receive accumulative sick leave with full pay of twelve (12) days for the first year, prorated at one day for each full month, and for each succeeding year thereafter. A year is considered to be July 1 through June 30.

- Each full time employee may accumulate an unlimited number of sick days. There is no monetary compensation for unused sick leave. Accumulation of sick days may provide job security during an extended sick leave.
- Sick leave may be used in accordance with the Employee Sick Leave Act of 2017. Sick leave may not be used for vacation purposes or for personal business not medically related. Falsification of the reason for sick leave usage shall be grounds for disciplinary action, including dismissal.
- It is the responsibility of the employee to notify his/her supervisor as soon as possible on the first day of any absence. Thereafter, it is the employee's responsibility to keep the supervisor informed of any change in condition and the expected date of return to work.

Failure to give such notification may result in an unexcused absence and can be cause for disciplinary action. If illness or disability continues beyond the period covered by accrued sick leave, accrued vacation and personal leave, under Board Policy 3.22 an employee may request additional unpaid time off for illness in 30-day increments after FMLA is exhausted.

- An employee who is absent on sick leave for more than three days may be required to present a doctor's certificate stating the medical necessity for the leave and its duration.

The College is committed to compliance with the Family and Medical Leave Act of 1993 ("FMLA"). FMLA allows eligible employees to obtain leaves of absence for family and medical reasons for up to 12 weeks, and up 26 weeks of leave in any single 12-month period in compliance with the expansion of FMLA under the National Defense Authorization Act, with job protection and no loss of service accumulated prior to the commencement of the leave, provided the employee returns to work.

To be eligible for leave under FMLA, an employee must 1) have been employed by the College for a total of at least 12 months; and 2) have worked at least 1,250 hours during the 12 months before commencement of the leave. For purposes of this policy, the College will use a "rolling" 12-month period measured backward from the date an employee uses any FMLA leave, with the exception of military caregiver leave, which is measured as a single, 12-month period forward.

If leave is due to the serious health condition of the employee or the employee's family member, the employee is required in all cases to provide a health care provider's certification of the serious health condition on a form that will be provided by the College at the time the request for leave is made. The College has the right to require the employee to obtain a second opinion at the College's expense.

An employee who timely returns from FMLA leave and is certified by a licensed physician as being able to return to work, will be reinstated to the same position that the employee would have held had the employee not taken leave, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

The provisions of Board Policy 3.16 will be followed with regard to FMLA leave to the extent not inconsistent with the terms of this Article X.

ARTICLE XI **(Wages - Call Back - Overtime)**

PROBATIONARY EMPLOYEES

New employees are on probation for the first six months of employment. Present employees moving to a new classification are on probation for the first twenty (20) working days and may request to return to their old position during this time. This same provision applies also to employees who move from part-time to full-time status.

maintenance employees. If asbestos work is assigned to an employee during his or her regular schedule, the employee may elect to perform the displaced hours of regular work before or after his/her schedule as assigned by the Director and to be paid the maintenance overtime rate for the asbestos work. Employees who supervise asbestos work shall receive 2% above the maintenance rate. If the employee elects not to perform displaced hours of regular work as overtime, the asbestos work will be paid at the regular maintenance rate. Among the employees to whom asbestos work is assigned, the Director will equalize work to the extent practicable among regular employees and supervisors separately.

Regarding All Service Employees

If an employee is called in for less than three (3) hours immediately preceding his/her normal work day, he/she will be paid at the overtime rate for the time worked before his/her shift begins. In addition, he/she will be permitted to work until the end of his/her normal work day.

In the event that any new or altered maintenance position is created or any positions such as "leadperson" with supervisory responsibility are created, such jobs will be posted and opened to bid before filling.

ARTICLE XII **(Longevity Pay)**

Longevity pay shall be granted to all employees (hired prior to July 1, 1992), who are members of Local Union 138, at the rate of 3/8 of one (1) percent of the current base salary upon the completion of each contract year of employment and each succeeding year through the tenth (10th) year. All vacations granted shall be subject to the approval of the Director of Facilities. No one will be permitted more than four (4) weeks' vacation at any one (1) time.

3. Salaried and/or supervisory personnel who are not members of Local Union 138 shall not perform such duties as would deprive Union members of justified overtime.
4. There shall not be any work done by the administrative staff or faculty, except assigned student help, which is considered service employee work. Student workers will not be assigned to replace absent employees or to perform work outside regular work hours so as to deprive bargaining unit members of overtime.
