ACKNOWLEDGEMENT OF ADDENDA

Signature of a company official on an original document shall be construed as acknowledgement of receipt of any and all addenda pertaining to this specific proposal. Identification by number of addenda and date issued should be noted on all proposals submitted. FAILURE TO ACKNOWLEDGE RECEIPT OF ADDENDA ON PROPOSAL SUBMITTED MAY RESULT IN DISQUALIFICATION OF PROPOSAL.

PROPOSAL PROCEDURES

No proposal shall be modified, withdrawn, or canceled for sixty days after the proposal opening date without the consent of the College’s Board of Trustees.

Changes or corrections may be made in the proposal documents after they have been issued and before proposals are received. In such cases, the College will issue a written addendum describing the change or correction to all bidders of record. Such addendum shall take precedence over that portion of the documents concerned and shall become part of the proposal documents. Except in unusual cases, addendum will be issued to reach the vendors at least five (5) days prior to the date established for receipt of proposals.

Each vendor shall carefully examine all proposal documents and all addenda thereto and shall thoroughly familiarize themselves with the detailed requirements thereof prior to submitting a proposal. Should a vendor find discrepancies or omissions from documents, or should there be doubt as to their meaning, they shall, at once, and in any event not later than ten (10) days prior to proposal due date, notify the Director of Purchasing who will, if necessary, send a written addendum to all bidders. The College will not be responsible for any oral instructions. All inquiries shall be directed to the Director of Purchasing. After proposals are received, no allowance will be made for an oversight by the bidder.

SIGNATURE ON PROPOSALS

The College requires the signature on proposal documents to be that of an authorized representative of said company. Each Bidder, by making her/his proposal, represents that she/he has read and understands the proposal documents and that these instructions to vendors are a part of the specifications.
TERM OF CONTRACTS

The initial term of the lease agreement shall commence on February 1, 2016 and end on January 31, 2019 for a three year lease agreement which thereafter may be renewed in one-year term increments with the same specifications. If the College signs a five year lease agreement, it will commence on February 1, 2016 and end on January 31, 2021.
