SBS	1100	Intro to Soc Sci	4			2 SOC SCI Courses such as:	
				PSY	1000, SOC 1000, ANT 1000 or 1002		6
PHL or REL			3	PHL	1001, or 1002, or 1050		3

Aurora University will transfer up to 68 semester hours of community college credit. The above suggestions will assist the elementary education student in a very smooth transfer of credit. We encourage students to follow the AU/Illinois Valley articulation guide, and to select an additional number (12-14) semester hours of elective credit that will be supportive of elementary education. If the student has an interest in teaching Middle School, the selected elective credits should be in an instructional area appropriate for Middle School such as English, History, Biology, Mathematics, or Spanish.

******All students need a total of at least 120 semester hours for graduation.**
