Guidelines, Trustee Honors Program Waivers

1. Honors Program Waivers cover the tuition cost for up to 6 semester hours each academic term. Waivers may be used for tuition only; all fees are the responsibility of the student.

2. Students awarded waivers are strongly encouraged to apply annually for financial aid using the Free Application for Federal Student Aid (FAFSA).

   The initial Honors Program Waiver may be awarded to a student for his/her first academic term at IVCC as a member of the Honors Program, but for renewal of the waiver thereafter, he/she must (1) maintain a minimum grade point average of 3.5, (2) reapply for every academic year (3) and otherwise remain in good standing in the Honors Program. Honors Program Waivers are awarded on a competitive basis. Priority consideration is given to early applicants for the initial Honors Program Waiver, and Honors Program Waiver renewals for returning students are awarded based on cumulative grade point average in IVCC courses.

3. Any other grant or scholarship earmarked for payment of tuition for the student will take precedence and will be utilized in meeting the student’s tuition costs. The Trustee Honors Program Waiver may be applied to tuition not covered by other tuition-restricted sources.

4. A student in default on his/her student loan will not be eligible to receive a Trustee Honors Program Waiver.

5. Any and all prior financial obligations to IVCC must be paid in full prior to the waiver taking effect.
