

## Illinois Valley Community College Course Placement Guide

**IVCC options for placement in Reading, English, and Math** (see placement grid for minimum requirements):

- **Reading** placement may be determined by:
  - ACT/SAT scores; Official PSAT (10 or NMSQT) scores
  - Placement testing
  - High-school equivalency testing (GED or HiSET)
- The following waives all Reading requirements:
  - Successful completion of an IVCC developmental Reading course
  - High school graduation GPA of 3.0 or higher on an unweighted 4.0 scale
  - ACT Reading score of 21 or higher
  - ACT English score of 19 higher
  - SAT score of 480 or higher on the Evidence Based Reading/Writing (EBRW) test; PSAT (10 or NMSQT) EBRW score of 460
- **English** placement may be determined by:
  - ACT/SAT scores; PSAT (10 or NMSQT) scores
  - High school transcript:
    - After graduation: GPA of 3.0 or higher on an unweighted 4.0 scale
    - 7<sup>th</sup> semester in HS: GPA of 3.5 or higher on an unweighted 4.0 scale
  - Placement testing
  - Successful completion of required IVCC developmental English and Reading courses
  - High school equivalency testing (GED or HiSET)
- **Math: IVCC RECOMMENDS ALL STUDENTS TAKE MATH PLACEMENT TESTS.**
  - Math placement may be determined by:
    - ACT/SAT scores; PSAT (10 or NMSQT) scores
    - High school transcript:
      - Successful completion of 8 semesters of HS math
      - GPA of 3.0 or higher on an unweighted 4.0 scale
    - Successful completion of a HS transitional math class (TM001, TM002, TM003)
    - Successful completion of a HS dual credit math class
    - Placement testing
    - High school equivalency testing (GED or HiSET)
  - The Math placement testing start point is determined by completion of Algebra in high school.
    - Students who have taken Algebra in high school will be tested on Algebra and will be eligible for developmental, technical, or college-level math.
    - Students who have not taken Algebra in high school will be tested on arithmetic and will be eligible for developmental math, technical math, or transferrable math with a co-requisite course.
  - **Early High School Graduates:** Students who graduate early must use PSAT/ACT/SAT or the math placement test for math course placement. Early high school graduates may not use high school graduation GPA and 8 semesters of coursework for math placement.
  - Students wishing to enroll in Calculus (MTH2001) must take the math placement test and meet the score requirements to enroll.

**Unweighted GPA:** When IVCC determines placement based on high school Grade Point Average (GPA), it must be determined on an *unweighted GPA*. If an unweighted GPA cannot be determined by the high school, placement testing will be required.

**Transcripts:** Placement based on unofficial transcripts must be confirmed by IVCC receiving official transcripts. Students must request official transcripts to be sent to IVCC, Admissions and Records; 815 Orlando Smith Road; Oglesby, IL 61348. If official transcripts are not received prior to the start of the semester, courses will be dropped from a student's schedule.

**Placement Testing:** IVCC requires appointments for placement testing at least 24 hours in advance.

- A completed IVCC application, IVCC K-Number, student ID number, and a photo ID are required for testing.
- Initial placement testing is free. Tests can be retaken twice in a 12-month timeframe for a fee.
- To apply to IVCC, visit [www.ivcc.edu/apply](http://www.ivcc.edu/apply).
- To schedule an appointment, visit <http://www.registerblast.com/ivcc> For more information, call the Assessment Center staff, 815-224-0542.

**Individualized Education Plans:** Students who had Individualized Education Plans (IEPs) or 504 Plans in high school should contact the Disability Services coordinator for assistance with going through the placement process. Call 815-224-0634.
