THE ART OF ASSESSMENT

**Assessment in the
Time of COVID!**

IVCC Assesses

Hey, all! Remember when last semester, we revised the general education goals into institutional learning outcomes? No? We barely did, either, and we're on the committee, so . . . here they are for memory-jogging:

ILO#1 - **Communication**: To communicate effectively

ILO#2 - **Inquiry**: To apply critical, logical, creative, aesthetic, or quantitative analytical reasoning to formulate a judgment or conclusion

ILO#3 - **Social Consciousness**: To understand what it means to be a socially conscious person, locally and globally

ILO#4 - **Responsibility**: To recognize how personal choices affect self and society

IVCC Assesses

This semester, please use the new ILOs and their criteria to assess a class through Blackboard.

We have the ILOs and their rubrics—and instructions-- listed on our newly revised and reconstructed webpage:

https://www.ivcc.edu/assessment/committee/IVCC_ILOS.php

Magic Trick

Go to the IVCC website and type /ILO

We will provide training and technological assistance for this. You just need to decide which class, which criteria of the ILOs, and which assignment you'll use.

Once you evaluate the students' performance using the criteria, you'll report it in Blackboard. Then, please help us help you by completing the feedback survey.
