IVCC Assesses

While the Assessment Committee crunches the numbers we received from these afore-mentioned good people, please continue to plan to assess this Spring, again or for the first time, using the new ILOs.

These are the new Institutional Learning Outcomes:

ILO#1 - **Communication**: To communicate effectively

ILO#2 - **Inquiry**: To apply critical, logical, creative, aesthetic, or quantitative analytical reasoning to formulate a judgment or conclusion

ILO#3 - **Social Consciousness**: To understand what it means to be a socially conscious person, locally and globally

ILO#4 - **Responsibility**: To recognize how personal choices affect self and society
