THE ART OF ASSESSMENT

So easy a caveman can do it.

IVCC  
Assesses

Please remember to assess our Institutional Learning Outcomes this semester in Blackboard with our **new and improved process!**

We have streamlined the process based on the feedback collected. Assessment data should be entered by June 1st for this Spring's classes.

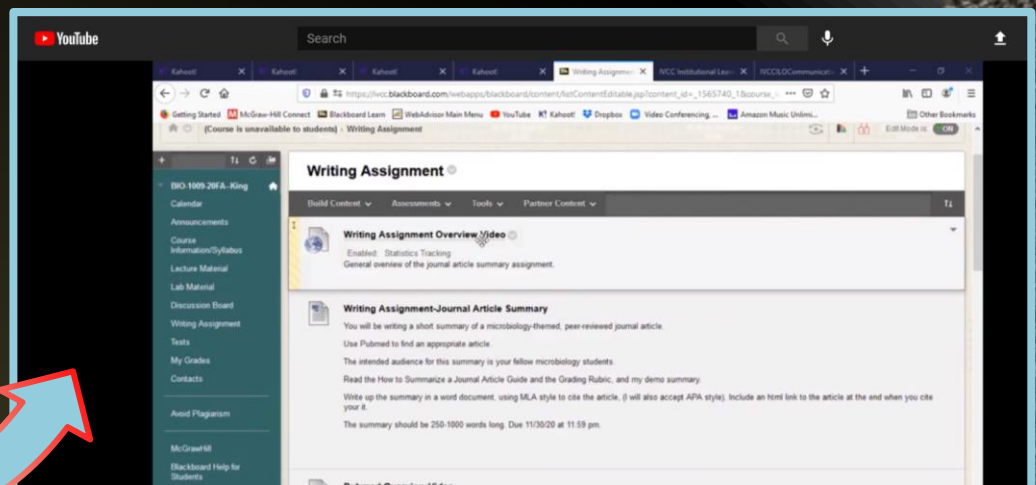

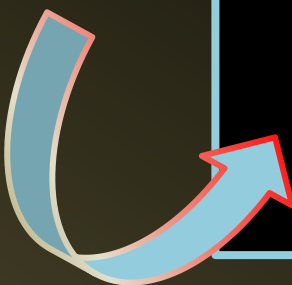

## FACULTY SPOTLIGHT

In this issue, our **Faculty Spotlight** is on Keith King who can show you how to complete an assessment in **5 minutes!**

To refresh your memory, these are our Institutional Learning Outcomes:

ILO#1 - **Communication**: To communicate effectively

ILO#2 - **Inquiry**: To apply critical, logical, creative, aesthetic, or quantitative analytical reasoning to formulate a judgment or conclusion

ILO#3 - **Social Consciousness**: To understand what it means to be a socially conscious person, locally and globally

ILO#4 - **Responsibility**: To recognize how personal choices affect self and society

Find them, the rubrics, and instructions for assessment at [https://www.ivcc.edu/assessmentcommittee/IVCC\\_ILOS.php](https://www.ivcc.edu/assessmentcommittee/IVCC_ILOS.php)

Or schedule an appointment through CETLA @ (815) 224-0530 or contact [Kimberly\\_RadekHall@ivcc.edu](mailto:Kimberly_RadekHall@ivcc.edu) for help.

\*IVCC's Assessment Committee is in no way affiliated with, or even suggesting that you purchase products by, **Geico**, or that modern humans are genetically dissimilar from Cro-Magnons. \*\* And "Caveman" can be seen as an inaccurate, pejorative term as there is strong evidence that early humans, as well as evolutionary relatives, lived mostly in open spaces. We apologize to your ancestors.
