### APPROVAL OF AGENDA

Mr. Dennis Thompson requested Board Items 13 and 16 be moved after Board Item 19. It was moved by Dr. Driscoll and seconded by Ms. Englehaupt to approve the amended agenda as presented. Motion passed by voice vote.

### **PUBLIC COMMENT**

None.

### CAMPUS UPDATE - COLLABORATION ACROSS THE GREAT DIVIDE

Dr. Rick Pearce, Vice President for Learning and Student Development and Bob Mattson, Director of Institutional Research were asked by the Illinois Board of Higher Education, the Illinois Community College Board, and the Illinois State Board of Education to attend four different regional meetings around the State and talk about what IVCC is doing to develop collaboration with high schools in bridging the gap between high school student preparedness and college expectations. They identified past initiatives, current initiatives, and initiatives they would like to try. Initiatives that have been in place include a counselor connection (brings

together counselors from district high schools and IVCC counselors to discuss changes and emerging issues), high school and department conversations (workshops among high school and college math departments or English departments), dual credit at 19 of 22 high schools, the running start pilot program, early release scheduling (high school students are released to attend dual enrollment courses at IVCC), and Skype with high school counselors (allows students access to IVCC counselors). New initiatives are strategy meetings with high school administrators, common core workshops, joint in-service programs, high school to IVCC feedback report (provides high schools with data specific to their students attending IVCC), and high school graduate tracking (provides high schools with data on the educational attainment of their graduates up to six years beyond graduation). Initiatives that IVCC would like to try include performance by subject and high school attainment, increased alignment between dual credit and campus instructors, diagnostics at high schools, and Illinois Interactive Report Card Collaboration.

### CONSENT AGENDA

It was moved by Dr. Huffman and seconded by Ms. Olivero to approve the consent agenda as presented. Motion passed by voice vote.

The following items were approved in the consent agenda:

<u>Approval of Minutes</u> – January 11, 2012 Audit/Finance Committee Meeting; January 17, 2012 Facilities Committee Meeting; and January 17, 2012 Board Meeting.

### Approval of the Bills - \$1,804,025.32

Education Fund - \$1,346,400.94; Operations and Maintenance Fund - \$80,524.81; Operations and Maintenance (Restricted Fund) \$156,674.32; Auxiliary Fund - \$159,274.22; Restricted Fund - \$31,438.53; and Liability, Protection and Settlement Fund - \$29,712.50.

### Treasurer's Report

### Personnel

Approved the stipends for the pay periods ending January 14, 2012 and January 28, 2012.

### Request for Proposals – Audit Services

Granted permission to seek proposals for auditing services for the College.

### Request for Proposals - Bank Depository and Services for Operating Funds

Granted permission to seek proposals for bank depository and services for the operating account.

### Request – Copier Lease Extension

Approved the extension of the existing lease with Illinois Valley Business Equipment, Inc. for nine (9) copiers for one (1) year.

### PRESIDENT'S REPORT

Dr. Corcoran reported that construction has begun, construction trailers have arrived, temporary fencing is in place, and parking is not as convenient for many as it used to be. Over the next few

have been explored for funding of such a facility. In the meantime, LaSalle Elementary offered IVCC the use of space at Jackson School for the ECE Center. This move was to take place the summer of 2012. There were doubts expressed about the number of IVCC students who would utilize the Center at Jackson School. A survey was conducted of existing students and apparently there is not enough interest in using the Jackson School. Only three of the current 18 students indicated they would attend the ECE Center at Jackson School. Diane Christianson and Marianne Dzik recommended discontinuing the ECE Center. There will be adequate clinicals in the community for IVCC students of the Early Childhood Education program. Ms. Olivero expressed her disappointment when originally the Board had indicated the Center would continue. Dr. Huffman stated IVCC needs to stay involved in the LaSalle CARES project. It has long-term benefits in the community and could benefit from IVCC's expertise. Ms. Christianson stressed the fact that the parents of students need to have an answer as to whether the Center will continue as registration is being conducted at other centers. There was consensus among the Board to close the Center. This will be acted upon at the March board meeting.

### RESOLUTIONS DESIGNATING THE FISCAL YEAR AND A PERSON TO PREPARE THE TENTATIVE BUDGET

It was moved by Ms. Olivero and seconded by Dr. Driscoll to adopt the resolution designating the fiscal year be from July 1, 2012 to June 30, 2013. Motion passed by voice vote.

It was moved by Dr. Huffman and seconded by Dr. Driscoll to adopt the resolution designating Dr. Jerry Corcoran as the District's officer appointed to prepare the tentative budget. Motion passed by voice vote.

It was moved by Dr. Driscoll and seconded by Dr. Huffman to approve the budget calendar, as presented. Motion passed by voice vote.

### FY2013 BOARD OF TRUSTEES BUDGET

It was moved by Dr. Huffman and seconded by Mr. Cockrel to approve the tentative FY2013 Board of Trustees Budget, as presented. Dr. Driscoll asked if the Board could cut the printing costs. Mr. Thompson suggested not printing the budget and RAMP reports for everyone. It was suggested the Board go paperless, but other board members like the board book to take notes. It was suggested the documents be placed in searchable format on the Board website. Dr. Driscoll stated in light of the economy, the Board should do everything it can to challenge themselves. The Board should lead by example and curtail some of the travel. Motion passed by voice vote.

## FACULTY RETIREMENT – GREGORY A. OSELAND, ANATOMY & PHYSIOLOGY INSTRUCTOR

It was moved by Ms. Englehaupt and seconded by Dr. Huffman to accept with regret Greg Oseland's request for retirement effective June 30, 2012 and wish him a long, happy, and healthy retirement. Motion passed by voice vote.

### **COURSE FEES/ADJUSTMENTS**

It was moved by Dr. Huffman and seconded by Dr. Driscoll to add fees for 10 new courses, add fees to 2 existing courses, increase fees for 154 courses, reduce fees for 55 courses, and set tuition for two new truck driver training courses at \$900 for TDT2210 – Equipment Refresher

Minutes of IVCC Board Meeting February 21, 2012 Page 5

Training and \$500 for TDT2275 – Truck Driver Permit Testing, as presented. Motion passed by voice vote.

### INTERGOVERNMENTAL AGREEMENT WITH THE CITY OF PERU

It was moved by Mr. Mallery and seconded by Dr. Huffman to approve the intergovernmental agreement with the City of Peru, as presented. Motion passed by voice vote.

### SERVICES AGREEMENT - IFIBER, ILLINOIS FIBER RESOURCES GROUP

It was moved by Ms. Olivero and seconded by Dr. Huffman to approve the iFiber Services Agreement for Community Anchor Institutions between iFiber, Illinois Fiber Resources Group and Illinois Valley Community College with annual connection fees of \$7,200 per year for the main campus, and \$7,200 per year for the Ottawa Center. The College does have an obligation to buy out the remaining three years of the AT&T five-year contract. Harold Barnes indicated AT&T would only enter into a five-year agreement; but when the agreement is discontinued, he will try to work out an agreement on the remaining years. Motion passed by voice vote.

## REDUCTION IN FORCE – JOINT APPRENTICESHIP AND TRAINING COMMITTEE (JATC) LOCAL UNION 176

It was moved by Dr. Driscoll and seconded by Ms. Englehaupt to authorize the College to officially notify the employees of the JATC Local Union 176 (Michael J. Clemmons and Brian K. Phillips) of the Reduction in Force. Motion passed by voice vote.

## FUND TRANSFER AGREEMENT BETWEEN ILLINOIS VALLEY COMMUNITY COLLEGE AND ILLINOIS VALLEY COMMUNITY COLLEGE FOUNDATION

It was moved by Ms. Englehaupt and seconded by Dr. Huffman to approve the IVCC and the IVCC Foundation Fund Transfer Agreement, as presented. Motion passed by voice vote.

### TUITION RATE ADJUSTMENT

It was moved by Dr. Huffman and seconded by Ms. Olivero to approve an increase in tuition by \$8.25, from \$76.13 to \$84.38 per credit hour beginning with the summer 2012 semester. Ms. Olivero expressed the need to raise tuition to qualify for equalization funding. She stated the College is artificially keeping the tuition low. Opening the new CTC building and keeping the tuition low could result in a shortfall of the budget closing programs or cutting employees. She does not want the College to compromise the quality of the institution. The average tuition of all neighboring community colleges is \$100 – even Shawnee Community College's tuition is \$10 more than IVCC. The taxpayers have been asked to step up, the administration has cut costs, and the State is not getting richer. The students are receiving a great value at a great institution. Mr. Thompson stated everyone cherishes the value of education at IVCC. With minimal increases, the College could find itself short. Fund balances will be decreasing over the next few years. Auditors talk about fund balances that should be maintained, ranging from 125 percent to 25 percent. IVCC has been very conservative maintaining the lower end with no program issues or quality issues. Mr. Thompson suggested the Audit/Finance Committee begin taking a look at future years. Dr. Huffman suggested having a retreat to discuss finances. He stated that none of the Board members like to raise tuition, but there is no money coming in. When enrollments increased money came into the budget, but now that has gone to the wayside. The Board needs to make sure the College has the resources to maintain quality services. The administration has a

real challenge to look at the staff, where cuts can be made, and what is available for financial resources for growth. A strategic planning process is needed to determine where the College needs to be. Dr. Driscoll stated every year there is a risk with the budget. There is concern about the EAV, State of Illinois, CPPRT which is \$400,000 less this year, and revenue streams funding the College. In the future, cost control is going to be paramount. The Board does not want to shift any of the burden to the tax payers. The tax payers are paying more than their share compared to other colleges. Tuition is the only logical way to receive revenue. Mr. Mallery responded to artificially capping the tuition low. He sees the tuition as high. Mr. Mallery believes there are places to cut that will not affect the quality of education. The national trend is reduced tuition, more accountability, and less administrative costs. He believes it is an approach worth looking at again. He stated the College is pricing students out of college by tuition. There are people not going to college because they can't afford it. Mr. Thompson noted that a decline in high school population could be a reason for a decline in students. He is very happy with the IVCC marketing program, getting the message out. Mr. Mallery noted that when the credit hours increased, more people were hired; he would like to see if the College could trim back staff. Dr. Huffman noted that cuts have been happening. The administration is working on it and he has faith in the administration. He wants to maintain the quality of the institution. There have been cuts on the number of courses offered. Ms. Englehaupt was concerned when she is asked questions in the community about raising tuition and yet the College is constructing a new building, opened an Ottawa Center, and considering a wind turbine. She does not want to burden the students. Mr. Thompson noted the new building is partly funded by the local taxpayers, but an even larger part by the State. The Ottawa Center is an opportunity for students that may not have attended college at all and for economic reasons is a good thing. Ms. Englehaupt stated the tuition increase is not astronomical and the College has exhausted two ways to raise revenues. In response to Leslie's concern of how to respond to the community, Dr. Huffman stated as a board member he does not have all the details, but he can contact Dr. Corcoran and he will get back to you. The Board needs to make a decision on the information given even though it may not appear to be a good decision out in the public.

Student Advisory Vote: "Aye" – Mr. Cockrel. Roll Call Vote: "Ayes" – Ms. Englehaupt, Dr. Driscoll, Dr. Huffman, Ms. Olivero and Mr. Thompson. "Nays" – Mr. Mallery, motion carried.

### REQUEST FOR PROPOSALS - WIND TURBINE PROJECT CONSULTANT

It was moved by Ms. Olivero and seconded by Dr. Huffman to grant permission to seek proposals for a Wind Turbine Project Consultant. The Request For Proposals is not to buy a wind turbine; it is about reducing risk. It was noted that there has not been a long history in Illinois, but the generators are more efficient. In some states, the electricity that is produced is sold at a very decent rate back to the utilities. That is not the case in Illinois. Mr. Mallery was concerned that maintenance and insurance was not included in the feasibility study and with a payback of ten years and the maintenance and insurance not included, there would be no savings to the College. He also noted that the wind would have to average 6.19 miles per hour to be effective; and according to the charts, the speed of wind does not exceed 6.19 miles on a regular basis. If the 6.19 number is flawed, the College could lose money. It was noted that the consultant would compile all the data and variables and study it. If there is positive cash flow, less money would be spent on utilities and more money towards education. The payback period does not take into consideration the success of the capital campaign. The consultant would also be helping the College with the environmental study. Motion passed by voice vote.

### TRUSTEE COMMENT

Dr. Huffman reminded board members to complete the open meetings training, print the certificate, and submit to the President's office.

Mr. Mallery noted when a student destroys college property; the person should no longer be a student. Dr. Huffman noted it is a disciplinary matter and must meet certain criteria. If it doesn't meet the criteria, then they are not dismissed.

Ms. Englehaupt attended Sophomore Night for women's and men's basketball at the College. She was very impressed with the players' grade point averages. It was noted that one athlete was listed as a freshman but participated in the dual credit program in high school and will graduate in May. This speaks well for dual credit and the quality of the student athletes.

### **CLOSED SESSION**

It was moved by Ms. Olivero and seconded by Ms. Englehaupt to convene a closed session at 8:32 p.m. to discuss 1) the appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body; 2) pending litigation; and 3) closed session minutes. Motion passed by voice vote.

The Board entered closed session at 8:40 p.m. On a motion by Dr. Driscoll and seconded by Dr. Huffman, the regular meeting resumed at 9:27 p.m. Motion passed by voice vote.

### **CLOSED SESSION MINUTES**

It was moved by Ms. Englehaupt and seconded by Dr. Huffman to approve and retain the minutes of the January 17, 2012 closed session meeting with the amendments suggested. Motion passed by voice vote.

## NEW MAINTENANCE BUILDING – COMMUNITY INSTRUCTIONAL CENTER PROJECT PHASE II

A new maintenance building is part of the Community Instructional Center Project Phase II. Originally, the maintenance building was planned to be 6,000 sq. ft. It was later revised to 5,000 sq. ft. Due to budget constraints, it was approved and incorporated into the schematic design as a 2,500 sq. ft. building. The Facilities Department is struggling with how to make this smaller building work for them with their current needs. The administration believes it would be short-sighted to not at least consider an alternative bid for a 5,000 sq. ft. building. There was concern with always relying on contingency funds; but if there is any money left at the end of the project and it is not obligated, the money is returned to the State. Another concern was the fact that the project is already over budget in Phase I and there is fear there will be no money for Phase III. The Capital Development Board has confirmed there will be no problem with changing the size of the building. The Facilities Department would like all equipment in one place and all under cover.

Student Advisory Vote: "Aye" – Mr. Cockrel. Roll Call Vote: "Ayes" – Ms. Englehaupt, Dr. Driscoll, Dr. Huffman, Ms. Olivero and Mr. Thompson. "Nays" – Mr. Mallery, motion carried.

### CAPITAL CAMPAIGN - BILL TAYLOR ANNOUNCEMENT

Dr. Corcoran announced Bill and Dian Taylor have pledged \$100,000 for the purchase of technology and equipment to enhance the services of the Student Development Commons. At the March Board meeting, it will be recommended to approve the pledge agreement.

### **ADJOURNMENT**

It was moved by Dr. Driscoll, seconded by Mr. Cockrel, and carried unanimously to adjourn the meeting at 9:47 p.m. Motion passed by voice vote.

## <u>Purchase Request – Instructional Supplies for Dental Assisting Program, Certified Nursing Assistant Program, and Nursing Programs</u>

The administration requests authorization to purchase instructional supplies for the Dental Assisting Program, Certified Nursing Assistant Program, and Nursing programs. The items to be purchased will replace aging equipment used by these programs, provide new technology for the Dental Assisting Program, and add new items to the simulation area for Nursing Programs. This equipment will keep the College's programs updated with some of the latest instructional equipment available, providing our students and instructors the opportunity to practice current industry-standard skills.

| Program                             | Cost     |
|-------------------------------------|----------|
| Dental Assisting Program            | \$20,415 |
| Nursing Program                     | \$15,060 |
| Certified Nursing Assistant Program | \$ 8,692 |
| Estimated Total                     | \$44,167 |

These purchases will be paid for with funds from the Carl D. Perkins Grant.

### Recommendation:

The administration recommends Board approval to purchase instructional supplies for the Dental Assisting Program, Certified Nursing Assistant Program, and Nursing Programs, in the estimated amount of \$44,167.

### Discontinuation of Early Childhood Education Center

The Early Childhood Education Center is located on the East Campus of Illinois Valley Community College's Oglesby campus. The building that currently houses the Center will be demolished as part of the temporary building removal project tied to the construction of the Community Technology Center.

Although plans had been put into place to temporarily locate the Center in the Jackson School, a facility owned by LaSalle Elementary School District 122, a survey of current Center parents strongly suggested the families would not make use of the Center if it were located at the Jackson School.

In light of the temporary nature of the relocation plans and the expectation that the Center would close once a new District 122 Early Childhood Center is constructed, the members of the ad hoc Board study group on Early Childhood Education has recommended the Board move to discontinue the Early Childhood Education Center at the end of the spring 2012 semester.

Contingent upon the Board's approval, the employment relationship of IVCC's Interim Director/Teacher and a part-time temporary employee will be terminated effective May 18, 2012.

All affected employees have been advised that their employment will be ending. Once approved by the Board of Trustees, an official letter will be sent to them regarding the effective date of their dismissals. The IVCC Early Childhood Center staff includes: full time Interim Director/Teacher Ms. Virginia Pokryfke and temporary part-time teacher Ms. Carly DeWig.

### Recommendation:

The administration seeks Board approval to discontinue the Early Childhood Education Center at the end of the spring 2012 semester and terminate the employment of Director/Teacher Ms. Virginia Pokryfke and temporary part-time teacher Ms. Carly DeWig, effective May 18, 2012.

### Naming Rights for the Student Development Commons

William and Dian Taylor have pledged \$100,000 to the Illinois Valley Community College Foundation to provide technological enhancement within the Student Development Commons. The Student Development Commons, located on the west end of the 80,000-square-foot community technology center, will be home to counseling, career services and Project Success, as well as admissions, records and registration, financial aid and the cashiers. William and Dian Taylor, graduates of IVCC predecessor La Salle-Peru-Oglesby Junior College, have been generous contributors to the IVCC Foundation. Each year, the Taylors provide a full-tuition scholarship to an IVCC accounting student transferring to Northern Illinois University to study accounting. The award is worth up to \$25,000 to each student. They also provide \$10,000 annually to IVCC for 10 scholarships.

### **Recommendation:**

The administration recommends the Board accept the gift of \$100,000 to the Illinois Valley Community College Foundation from William and Dian Taylor for naming the Student Development Commons the William and Dian Taylor Student Development Commons. The donation will be used for technological enhancement within the Commons.

### PHS Project - Ceiling/Lighting Replacement Budget Change

The administration and the College's architect of record, Paul Basalay of Basalay, Cary & Alstadt, were of the opinion that Buildings D and E did not contain asbestos. However, since asbestos testing has become more accurate over the years, recent tests for the current PHS projects indicate that the ceilings in Buildings D and E contain asbestos.

IVCC's Ceiling/Lighting Replacement Project did not provide any monies for asbestos removal. United Analytics has quoted an estimate of \$30,875 to remove the asbestos from the areas impacted by the ceiling and lighting replacement. The budget is as follows:

| Construction<br>Contingency<br>A/E Fees | \$152,042<br>15,204<br>17,204       |
|---|-------------------------------------|
| Total 5% ICCB allowance                 | $$184,450$ $\frac{9,223}{$193,673}$ |
| Estimated cost                          | \$215,325                           |
| Overage                                 | \$ 21,652                           |

### **Recommendation:**

The administration requests approval to submit a revised budget which would include \$30,875 for asbestos removal to the ICCB for the Ceiling/Lighting Replacement Project.

### 2012 ICCTA Outstanding Faculty Award Nomination - Lori Cinotte

Lori Cinotte, English and Journalism Instructor, was selected by the faculty as the 2012 award recipient of IVCC's Stephen Charry Memorial Award for Teaching Excellence. The award recipient is determined by receiving nominations from students, faculty and counselors, Project Success counselors, and academic and student services administrators, as well as the President. Four nominations were scored by the faculty members. Faculty members were asked to score the nominee as the kind of person who...

- 1. Challenges students to pursue goals;
- 2. Prepares students to make life choices;
- 3. Improves students' skills for employment and/or success in their academic endeavors;
- 4. Motivates students to be active and concerned citizens of the community; and,
- 5. Is active in the community.

Lori Cinotte was nominated by her student Jared Goskusky. In his nomination letter, Jared noted Lori Cinotte's "planned projects and various reports" as "incorporating the real-world work experience into her teaching technique". He went on to site her involvement as a faculty sponsor of the IV Leader and commented that she encourages the IV Leader staff to be involved with events and happenings outside the college.

Lori is an outstanding instructor whose passion for writing and learning motivates her students and her peers. Lori's contributions to the college and community are many, including this past year serving on the Theme Committee and the Teaching and Learning Committee.

### Recommendation:

The Administration takes great pride in recommending the Board of Trustees nominate Lori Cinotte, English and Journalism instructor and the 2012 recipient of IVCC's Stephen Charry Memorial Award for Teaching Excellence, for the Illinois Community College Trustees Association's Outstanding Faculty Award.

## 2012 ICCTA Outstanding Part-Time Faculty Member Award Nomination – Tammy Ebner-Landgraf

The administration recommends the Board of Trustees nominate Tammy Ebner-Landgraf, Early Childhood Education Instructor, for the Illinois Community College Trustees Association 2012 ICCTA Outstanding Part-Time Faculty Member Award. The administration received suggestions from the academic divisions and evaluated these suggestions based upon the criteria set forth by the ICCTA. Ms. Ebner-Landgraf was suggested to the administration by Marianne Dzik, Dean of English, Mathematics, and Education.

Tammy Ebner-Landgraf demonstrates excellence in teaching through her enthusiasm and dedication to early childhood education. She recognizes the importance of offering young children a strong educational background, and this passion fuels a strong desire to prepare outstanding early childhood education teachers. As a classroom instructor, Tammy believes in active learning, engaging her students in hands-on experiences. Illustrating best practices for children is one of her goals, and she strives to have her students be creative and reflective learners.

### **Recommendation:**

The Administration takes great pride in recommending the Board of Trustees nominate Tammy Ebner-Landgraf, Early Childhood Education Instructor, for the Illinois Community College Trustees Association's Outstanding Part-Time Faculty Member Award.

Harold,

We have had several discussions on this topic over the past year.

This letter is to confirm that I plan to retire from IVCC on June 30, 2012.

I will work closely with you on details of the process because I have 3 weeks of vacation that must be used before that date. If rules change, for instance I don't get paid for 4 weeks of unused vacation, my plans will be modified.

Sincerely

Dick Vicich

Mr. Bob Mattson Director of Institutional Research Illinois Valley Community College 815 N. Orlando Smith Road Oglesby, IL 61348

Dear Bob,

Please accept this message as notification that I am leaving my position as Research Analyst effective March 15, 2012. While I'll be resigning as Research Analyst, I am committed to completing the spring semester as a part-time faculty member.

I appreciate the opportunities IVCC has provided me both as a student and as an employee, and I will continue to be a champion for the college well into the future. I'd also like to thank you for your professional guidance and support during my time in this position.

Sincerely,

Drew McConville

Re: Resignation from Jim Stevenson

I am writing to formally notify you that I am resigning from my position as Transfer Coordinator and Counselor. I thank all of those who have made my 44 years at IVCC so beneficial. Thanks to the Board of Trustees, faculty, staff, and administration who work so hard to provide our students the best education possible.

Resignation with good memories has always been a top goal of mine. I have those great memories and feel privileged in spending so much of my life as an employee of the college.

My resignation is to be effective June 30, 2012.

Thanks for all,

Jim Stevenson

### Disposal of Assets - iMac Computer Donation

In accordance with IVCC's practice regarding surplus computers, monitors, and other audio/visual equipment, a letter was addressed to all public high schools and elementary schools within District No. 513 informing them the College had used iMac computers to donate. Seven schools responded to the letter.

Below are the results of the drawing:

- Bureau Valley South School, Buda, Illinois received eight (8) computers.
- Midland High School, Varna, Illinois received eight (8) computers.

# Memorandum

To: Dr. Jerry Corcoran, President

From: Tracy Morris, Associate Vice President for Student Services

Date: March 6, 2012

**Subject:** Campus Parking Registration Changes

This fall, the new Campus Security identified a number of areas of concern regarding student parking. Some of these issues included students parking in the faculty lots on a regular basis, cars parked illegally in the circle (fire lane), and a situation where a car owner needed to be contacted quickly due to a fire in the parking lot. These issues brought to light the need to be able to identify the owner of a vehicle in a consistent and expedient manner.

Therefore, all students who attend IVCC are being asked to register their vehicles with IVCC Campus Security beginning February 22. There is no fee to register vehicles and the decal provided can be displayed in either vehicle—on the front windshield on the passenger side. As long as a car is registered, the decal does not need to be in each vehicle. All drivers are responsible for obeying all posted parking and traffic regulations, as well as city and state traffic ordinances and laws.

Registration of cars is now available in the Admissions and Records Office and in Campus Security. When students receive their decal, they will also receive notification of the parking restrictions. If multiple cars are registered with one decal, the decal is placed in the car most often used.

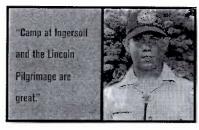

At this time, response to this new process has been very positive. Students have been very receptive to the idea and we have registered 1200 students in just two weeks.

### Dr Corcoron,

letters of recommendation for my graduate octobel applications. After hours of fulling out applications and playing the waiting game, it received applications and playing the waiting game, it received opertacular mews.
