Dear Name,

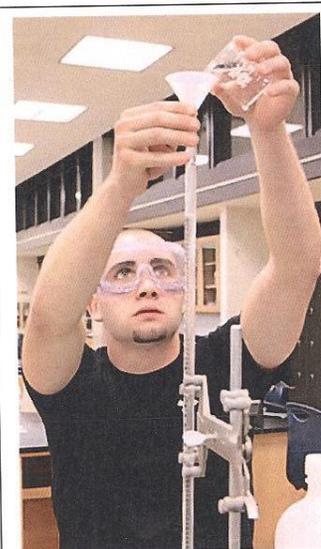

Next semester may be my last at Illinois Valley Community College, but I will carry with me forever a deep gratitude for those who aided my education here.

I chose IVCC because I believed it would provide me *the* best educational value. I was not mistaken. IVCC's superb faculty, affordable tuition and generous Foundation donors will allow me to transfer to a university next fall with zero debt – a critical advantage as I pursue my dream of becoming a neurologist.

Foundation scholarships have been a tremendous financial benefit, allowing me to work less at my restaurant job and consequently giving me more time to study and maintain a 4.0 GPA in one of IVCC's most demanding programs.

I have witnessed how important scholarships are for fellow students juggling classes, homework, jobs and families. By supporting the **2016 IVCC Foundation Annual Appeal**, you will help more local students like me who are on their way to productive careers.
