

Campus Crime Statistics

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Public Law 101-542, requires that IVCC annually report instances of crime which occurred on campus. The College is required to report such data, even if there have been no occurrences of crime, as defined by the Act. Furthermore, the College is required to list each category of offenses covered by the Act, again even if there are no offenses to report. Therefore, listed below are IVCC Campus Crime Statistics for the three most current years. Updated annually in October for previous year.
