

### Question 1

Completing this Feedback form is completely anonymous. While your individual input is confidential, the class results will be shared with the instructor and Dean. Your honest comments will help the instructor to identify what helped or hindered your learning in this course. It will also help future IVCC students. Please take a few short minutes to reflect on this course, your preparation, and your learning. Thank you

### Question 2

\* My instructor's expectations for students in this class are \_\_\_\_\_.
