

ENTER THE EDIBLE CAR CONTEST

BUILD A CAR FROM FOOD AND WIN PRIZES

Edible Car Contest Rules

1. Cars must be built entirely from food items edible to humans.
EXAMPLES: Car bodies have been made from cucumbers, hot dogs, ice cream cones and a loaf of bread. Wheels have been made of pinwheel pasta, cookies and Moon Pies.
2. Each team must consist of a minimum of 2 students or more.
3. Entries must have at least two axles and at least three wheels, also entirely made from food items edible to humans.
4. To be eligible for a speed prize, an entry must roll down a ramp approximately 3 feet long. The fastest cars are electronically timed with an automatic starting gate.
5. Other prizes will be awarded for Design, Creativity, and other categories. In all there are 10 categories.
6. At least one member of the team must be present at the competition.
7. Entries must be checked in at the lobby before 11:30 a.m. on the day of the race (registration will be available from 10:00 a.m.)

**Speed Competition: Noon Wed., Last Wednesday in February,
Location IVCC Room CTC124**

JUDGES: Area engineers and other celebrities.

JUDGING CRITERIA: Aerodynamics, design, speed and creativity. **In a tie, the car that tastes best to the judges will be declared the winner.** Decisions of the judges are final.
