

Recertification information:

To recertify your nursing assistant certification you must do the following:

- 1) Go to www.nurseaidetesting.com
- 2) Under Popular Links “click on” Recertification Form
- 3) Fill out the form and submit it.
- 4) To complete the process you MUST call 1-877-262-9259 and leave your name and social security number.

After the Nurse Aide Testing (NAT) office processes your request, you will receive an email containing information and documentation. You will need to provide a copy of the letter from the NAT office showing you have been processed by that department prior to having a performance skills evaluation performed.

If you have any questions, or concerns regarding this process, please let me know.

Thank you,
Christine
