Structure of the Class

We have a limited amount of time in which to cover a great deal of information; therefore, we will try to stick to our schedule and cover the material in an organized fashion.

Class time will focus mainly on covering the required material for the Certified Bookkeeper exam administered through the American Institute of Professional Bookkeepers. Class will be split between lecture, working through specific problems in your workbooks as well as selected exercises and problems, reviewing your homework assignments, and taking exams. During the semester we will take six in-class assessments that will simulate your actual CB exams. You will also complete the AIPB exams for Inventory and Internal Control/Fraud Prevention as part of your requirement for the CB designation.

I encourage you to ask questions as we go along. Your participation will be of benefit not only to you but also to your fellow students as it is an aid in overall learning process.

Attendance Policy

You are expected to attend class regularly. It is imperative that you attend class as much as possible in order to improve your chances of success in this course.

This class will have 28 total class meetings with 20 prior to the withdrawal date and another 8 beyond that. **You may not have more than 2 unexcused absences for any reason during the semester. If you have excessive unexcused absences, the instructor reserves the right to withdraw you from class without prior notification. Any borderline grades will be negatively affected by excessive absences.**

Classroom Rules

A few rules for the classroom:

- 1) ALL cell phones are to be OFF (not vibrate) and PUT AWAY during class. You may check messages during our break.
- 2) Professionalism – Is an important part of the business world and is demanded of those who choose accounting as their career. Part of the learning process involves understanding what is expected of you in class including your behavior and attitudes

towards your instructor and fellow students. As part of this class you will be required to be respectful of others, to show courtesy, and to conduct yourself in a professional manner.

- 3) Promptness – You are expected to be in class and in your seat ON TIME. If you arrive late is it a distraction to others in the class. I reserve the right to ask you to leave if you continue to arrive late.

Instructor Expectations

This course is designed to prepare you to successfully complete the four Certified Bookkeeper (CB) exams as required by the American Institute of Professional Bookkeepers.

In order to complete these requirements, you will be required to complete two exams given at a Prometric Testing Center with a passing score of at least 75%. In addition, you will need to take two exams at IVCC and obtain a score of at least 70%. **You are responsible for scheduling your two exams at a local Prometric Testing Center.**

You should spend most of your time outside of class reviewing all topics covered in each of the workbooks as thoroughly as possible.

You will be required to use a great deal of self-discipline in order to keep up with the assignments and be prepared for the four exams throughout the semester, **therefore you should expect to devote 6 hours or more a week to the material and assignments.** Some students may find that more or less time is required depending on their understanding of the material.

To be successful you should:

- 1) Read the chapter quickly to get a “feel” of the material
- 2) Re-read the chapter a second time much more slowly highlighting specific areas that the author is covering
- 3) Make a note card or other study aid to help commit certain concepts to memory
- 4) Work the problems as assigned. Working and reworking problems will help develop the skill sets necessary to apply the concepts
- 5) Review the solutions to the material assigned. Rework any problems you struggled with.
- 6) IF YOU ARE HAVING PROBLEMS, MAKE AN APPOINTMENT TO SEE ME, I CANNOT HELP YOU IF YOU DO NOT ASK FOR HELP

If the student should contact the instructor prior to class time on the date of the exam with a legitimate reason (as determined by the instructor) as to why they cannot take the test during the scheduled time, an alternative time will be arranged. This will be done only under extreme circumstances. Proof of circumstance may be requested by the instructor. Extra Credit Policy

No extra credit is given in this course; however, the instructor reserves the right to add additional assignments(s) as extra credit should it be considered beneficial to the learning process.

Plagiarism and Cheating Policy

Plagiarism involves using another person's exact words or thoughts without citing the source in your work. Plagiarism is therefore an illegal act that constitutes a type of theft from another individual. Such actions are not tolerated in the business world and will not be tolerated in class. Whenever exact quotes are used, citing the source of the original material is required. Illinois Valley Community College prohibits plagiarism in any form. Students found plagiarizing or cheating in any way will result in a 0 for that particular assignment. Should there be a repeat offense the student will be brought to the attention of the Department Dean and subject to disciplinary actions as determined by the college.

This course is designed to support a diversity of learners. My hope is to create a safe environment for all students. If you want to discuss your learning experience, please talk to me as early in the term as possible. If you know you have, or suspect you have a disability (learning disability, physical disability, or psychiatric disability such as anxiety, depression, bipolar disorder, AD/HD, post-traumatic stress, or others) for which you may need accommodations, please contact the Disability Services Office in B-204. Tina Hardy tina_hardy@ivcc.edu, 224-0284 or Valorie Smith valorie_smith@ivcc.edu, 224-0634 work in that office and can help determine if you are eligible for support.

Withdrawal Policy and Financial Aid

You may be withdrawn from the class in one of two ways:

Instructor Initiated – Based on the attendance requirement outlined above, I reserve the right to withdraw a student from class without prior notification.

Student Initiated – Effective Summer 2011, students will have the ability to initiate a withdrawal from classes. By completing the form in the Records Office or at www.ivcc.edu/withdraw, the student is authorizing IVCC to remove him/her from the course. Entering the student ID number serves as the student's electronic signature. **IVCC has the right to rescind a withdrawal in cases of academic**

dishonesty or at the instructor's discretion.

Students should be aware of the impact of a withdrawal on full-time status for insurance purposes and for financial aid. It is highly recommended that students meet with their instructor or with a counselor before withdrawing from a class to discuss if a withdrawal is the best course of action for that particular student. **The last day to withdraw for this class is April 7, 2020.**

Do not assume that the instructor will drop the student prior to the withdrawal date based on attendance or grades. It is the responsibility of the student to drop themselves if they decide to stop attending. Any student who has not withdrawn from the class after this date will receive a letter grade!
