## Apply for funding by July 16th!

Happy July! We hope you're enjoying a fun and relaxing summer with family and friends. While campus tends to be a little quieter this time of year, there's still a lot happening at IVCC!

The Fall 2025 PATH Grant application is now open for students enrolled in or interested in a PATH-approved program. Don't wait - applications are due by July 16.

This month, we're also celebrating our students with ceremonies for Dental Assisting, LPN, and Paramedic programs - congratulations to all!

And to prospective students, don't forget about Explore IVCC - a fantastic opportunity for prospective students to learn more about our programs, services, and the many ways we support your success. We'd love to see you there!

*\*Financial Assistance is based off need and fund availability and is not guaranteed for all students who qualify under the PATH Grant.*
