## Apply for funding by July 26th!

Happy July! We hope you're having a great summer enjoying time spent with friends, family and loved ones! While summer is typically a slower time on campus, we have some exciting updates for you. The PATH Grant application is now live for students enrolled or interested in a PATH-approved program at IVCC. Additionally, ARPA Scholarship applications for the fall are being accepted until July 26th.

This month, we also have the LPN and Dental Assisting pinning ceremonies for our IVCC students. Don't forget about Explore IVCC, an excellent opportunity for prospective students to learn more about IVCC, our programs, and the support we offer. Come join us and discover all that IVCC has to offer!

On campus this summer? Don't forget to check out our new 100th Anniversary Mural in the main lobby of the CTC! The mural represents IVCC's past as LPO Junior College, its present, and its future.

*Painted by artist Ray Paseka of Westclox Studios with the assistance of IVCC alumni Emily Maze and Morgan Phillips.*

**\*Financial Assistance is based off need and fund availability and is not guaranteed for all students who qualify under the PATH Grant.**
