REQUEST FOR PROPOSAL
DIGITAL MARKETING CAMPAIGN FOR SUMMER/FALL 2023 & SPRING 2024
FOR
ILLINOIS VALLEY COMMUNITY COLLEGE
PROPOSAL # RFP2023-P08

INTRODUCTION

The successful digital marketing firm will partner with IVCC’s Community Relations Office to support recruitment efforts by building a campaign to grow enrollment and provide transparent, comprehensive reporting and real-time dashboards.

Illinois Valley Community College is soliciting vendor bids for a 12-month digital marketing campaign. The campaign will follow IVCC’s 2023-24 marketing road map to increase enrollment and raise awareness of the college through media buys and messaging. Campaign will run July 1, 2023 through June 30, 2024 – and includes all media buys orchestrated by the successful vendor, with regular contact with the college to ensure that the campaigns are in alignment with the college brand standards and marketing.

Specifically, the plan targets the district’s growing Latinx population, high school/IVCC dual credit students, men, low-income and minority prospects.

Each sector will be messaged differently. For example, our messaging to dual credit students encourages them to keep moving forward with IVCC after high school graduation.

The campaign will consist of multiple efforts, including but not limited to search engine marketing, pixel support and set-up, conversion rate optimization, and landing page development and management.

In addition, the college asks the vendor to provide Hispanic translation for ads when appropriate and when requested.
