

Count on the Illinois Valley YMCA to make childcare care easy and convenient by providing our program right in the college. Peace of mind comes from knowing your child is in a safe and nurturing environment.

YMCA Little Eagles provides childcare between 7:45AM – 2PM Monday through Friday on days that classes are in attendance. A waiver form will need to be completed in person in CTC-206 on IVCC's Main Campus.

All participants need to be potty trained for the health and safety of the children and staff. Parent/Guardian must remain on campus while children are under YMCA care.
