REQUEST FOR PROPOSAL
INFORMATION SECURITY CONSULTANT
FOR
ILLINOIS VALLEY COMMUNITY COLLEGE

PROPOSAL #RFP2013-P03

INTRODUCTION
The purpose of this proposal process is to identify potential consultants to aid Illinois Valley Community College (“IVCC”) in complying with applicable regulations and safeguarding personally identifiable information. IVCC intends to compare all aspects of the proposals and requests that each vendor provide a complete and thorough response to this RFP. This RFP is not for penetration testing or similar I.T. services.

HISTORY
IVCC has an Information Security Committee (“ISC”) that has been in place for several years. IVCC has a board approved Red Flag Rules policy. Four years ago, the College hired a consultant to assess our physical vulnerabilities and only minor exposures were discovered.

Since then, the ISC has been restructured. Furthermore, a new sub-committee, the “Fire Team” was formed to create immediate breach response plans. The ISC needs to perform departmental reviews across the campus to document and remediate vulnerabilities, document and implement red flag procedures, and update and deploy campus wide training.

OBJECTIVES
While there are several employees on the ISC with training and knowledge of information security regulations, there is a need for an expert to review and direct the committee’s efforts. The objective is to steer the committee’s efforts ensuring that the committee’s time is spent on the most appropriate areas resulting in better security and compliance, more efficient use of human resources, and properly educated employees.
INSTRUCTION TO BIDDERS
Two (2) copies of the signed proposal must be submitted to:

Illinois Valley Community College District No. 513
Purchasing Department – Room C343
815 North Orlando Smith Road
Oglesby, Illinois 61348

ALL PROPOSALS MUST BE IN A SEALED ENVELOPE AND MARKED “RFP FOR INFORMATION SECURITY CONSULTANT” AND DELIVERED NO LATER THAN JANUARY 18, 2013 AT 1:00 P.M. Late proposals will not be considered. Electronic proposal submissions will be accepted and can be sent to purchasing@ivcc.edu. Vendors, however, assume the risk of premature disclosure due to submission in an unsealed form. It is strongly suggested that vendors choosing to submit electronically also submit copies of the bid in written form as specified above.

Please submit all questions to Patrick Berry in writing, via e-mail by January 14, 2013.

Should a vendor find discrepancies or omissions from documents, or should there be doubt as to their meaning, they shall, at once, and in any event not later than (10) ten days prior to proposal due date, notify the Director of Purchasing who will, if necessary, send a written addendum to all bidders. The College will not be responsible for any oral instructions. All inquiries shall be directed to the Director of Purchasing. After proposals are received, no allowance will be made for an oversight by the bidder.

#### Part I  Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

#### Part II  Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

**Certification Instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

**U.S. person.** Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
