DIRECTIONS: Think of a scenario where two people take opposite sides. To help you get started, here are a few thoughts. Perhaps it is a courtroom where lawyers argue for their clients. Maybe it is a hero versus villain situation. Have you seen a cartoon with the little angel on one shoulder and the devil on the other shoulder? Whatever scenario you choose, use the WWWs to portray a character that is a good source and a character that is a bad source. Act out the scenario you created.
