WWWs of Web Site Evaluation:
Song or Rap

Name:

DIRECTIONS: Create a song or a rap about a Web site, using the WWWs as a guideline. Determine if you want your song to be about a good or bad Web site. You may choose whether to use an existing tune or to create your own. Write enough lyrics to have at least two verses and a refrain. Perform the music you created.

Use the space provided below to outline the song or rap.
