WWWs of Web Site Evaluation:
Write a Story

Name:

DIRECTIONS: Read Kevin Sieff’s article “Virginia 4th-Grade Textbook Criticized over Claims on Black Confederate Soldiers” at http://www.washingtonpost.com/wp-dyn/content/article/2010/10/19/AR2010101907974.html. Create a story for children, perhaps a fairy tale, based on the scenario in the article. Include a part where the characters use the WWWs to evaluate Web sources so the story has a “happily ever after” ending. Write enough to develop the characters and the plot. Read aloud the story you created.

Use the space provided below to outline the story.
